

World Catalogue of Hydrophiloidea: 2006 Additions (Coleoptera)

A.E.Z. SHORT
Cornell University

Updated: 6 January 2007

This unpublished document serves to complement the World Catalogue of Hydrophiloidea (HANSEN 1999) and the recently published paper by SHORT & HEBAUER (2006) that includes additions and corrections from 1999 through the end of 2005. Any omitted changes or additions to the nomenclature of the Hydrophiloidea should be sent to Andrew Short (as384@cornell.edu).

New Species and Nomenclatural Acts

Nomenclatural acts (e.g. new synonymies, new combinations, and new status) are indicated with an asterisk (*). For synonymies, the junior synonym is listed first.
